

# I Pledge to Graduate

*We need your involvement!*

The 2010 - 2011 Student Advisory Board members created the *I Pledge to Graduate* initiative to encourage students to GET INVOLVED with Graduation Matters Montana.

Using the attached pledge card, students pledge to graduate, identify why graduation is important to them, and have someone who is important in their lives - a peer, a teacher, a school counselor or parent sign the card.

**We need your involvement to continue the good work that board members started last year!**

- Fill out the attached pledge card and bring it with you to the Summit.
- Think creatively! Superintendent Juneau looks forward to hearing your thoughts on how we can encourage ALL Montana students to take the pledge. What would be a fun way to do that in YOUR school?

The *I Pledge to Graduate* initiative includes pledge cards, "I Took the Pledge" wristbands and student organizer packets for students who want to do a pledge event in their community. Students can even pledge on-line, at [graduationmatters.mt.gov](http://graduationmatters.mt.gov).

**We look forward to seeing you at the summit!**
